

## Conferring Questions

Print or download a copy of this handy list to use when you are conferring with students. It will help you steer the conversation to what students are doing as writers and position you to teach to the point of need.

How's it going?

What are you working on as a  
writer?

**Tell me more.**

What's going well?

What do you wish you knew?

**Tell me more.**

Will you tell me about this part?

What would you be doing if I  
didn't interrupt you?

**Tell me more.**
