#ChoiceLiteracyBookClub

“When we read together—when a grandfather reads to a granddaughter, when a teacher reads to a classroom, when a parent reads to a child, when a sister reads to a brother, when everyone in a town reads the same book silently, together—we are taken out of our aloneness. The story opens doors for us; and we, in turn, open the doors of our hearts to each other. When we read together, we welcome each other in.”
