## THINGS TO KNOW ABOUT THE CLASSROOM LIBRARY

- ☞ I have books at a variety of levels, in a variety of genres, representing a variety of characters.
- ☞ Students always have choice. If you do not want your child to read a particular book, please contact me, and we can make a change.
- ☞ Students regularly visit our school library.
- ☞ I would love to work with you to find the right books for your readers.
- ☞ Students are responsible for keeping track of books checked out and returned using our Booksource classroom library link in Google classroom.
