

NAME:

Planning for Summer Reading

What series have you read this year that you might like to read more in this summer?

What author or authors have you been enjoying recently?

What genres or types of texts do you read most now?

What books have you heard about that you'd like to read?

What's a longer-than-usual book that you'd to read when you had extra time?

Are you going on a long plane or car trip that will give you extra time to read?

Where do you think you'll do most of your reading this summer?
