

Vocabrity Rules and Rounds

ROUND ONE

Use words and gestures. Keep track of correct words. Each correctly guessed word is one point. You have one minute to go through as many words as possible.

ROUND TWO

Use only ONE WORD. You cannot change your word once it is spoken. If more than one word is used you must pass, put the word back in the bowl, and choose another vocabulary word. CHOOSE YOUR ONE WORD WISELY. You have one minute to get through as many words as possible.

ROUND THREE

Use ONLY GESTURES. No words may be uttered. If you DO say a word, you must put the vocabulary word back on the bowl and choose another slip. You have one minute to act out as many words as possible.
